

MOVIE NIGHT – FRIDAY, AUGUST 21, 2020

Join me and some of your Sports Car enthusiasts for a movie under the stars. I plan on showing *Ford vs Ferrari* with Matt Damon and Christian Bale. The running time is 152 minutes (that is 2 hours and 32 minutes) so starting it as early as possible will be a good thing. Sunset is forecasted to be at 8:31 PM on August 21, 2020. The movie will start playing as soon as the audience tells the movie projector operator that it is dark enough. (This is critical because there is a nice MGA in a scene about 4-5 minutes into the movie.)

Rain Date is Friday, September 4, 2020. The forecasted sunset that day is at 8:10 PM.

Bring a lawn chair, snacks, drinks and good humor and watch the movie under a canopy of stars in my back yard. I suggest you park your car in the front lawn of my house, at a 45 degree angle from my 100' plus long driveway.

I live on the northeast side of Indianapolis, near Lawrence North High School. Call me at (317) 979-5564 and I will give you my address. This way, I will also have an idea how many might come to the event.
