

CARMELFEST PARADE ~

With Hoosier MG's Invited to Join In

The annual CarmelFest Parade has invited the Hoosier MG's to join in for the traditional parade around central Carmel. We would like to have 20 MG's representing the T cars, the MGA's and the MGB's. The parade will be over at noon and you have the rest of the day for family or other events.

Kurt Rupenthal has submitted the application for the group as "Hoosier MG's" You do not need to file a separate application for your car.

Wednesday, July 4th have your car in the lineup by 9:30 AM. The parade steps off at 10:30 AM rain or shine. The parade route is 2.1 miles beginning on Carmel Drive then North on Rangeline Road and finally East on Main Street ending at Carmel High School. You can continue East on Main Street and return to the Keystone roundabout to head home. The Parade has really grown and has about 35-40,000 spectators. Usually we have many VIPs including Miss Indiana and the State and local politicians.
