Moonshine moonshine where do you begin?

Maybe you start with 2 million friends

You can have a soda and a burger called a moon

Helen will fix it for you if you are there by noon.

If you go on the lunch run it is like no other.

You can enjoy the ride because we are MG brothers

Lunch will be eaten outside on picnic tables, so check the weather - if it is likely to be rainy we may postpone the event. Place RSVP to Dick or Carol Brown at 309 662-3020, or altmgb2@yahoo.com. If weather is questionable, contact Dick or Carol.
