

Willy-Nilly Run October 12, 13 & 14, 2018

For those who will be joining us on Saturday Morning (Oct. 13th):

Once you arrive at the Bloomington/Nashville exit of I-65, go east towards Columbus on SR-46. The first drive to your right is Linden Park Place (between Burger King and the Waffle House), but, if you miss it, go to the next road to your right which is Johnson Moore Boulevard, that goes south between Starbucks and the Shell Station. A good block south is Merchant Mile, turn right (west) and proceed to the new **Fairfield Inn & Suites by Marriott** at 2820 Merchant Mile, Columbus, In. Please park in their overnight lot located behind the hotel. The Entrance to the hotel is on a cul-de-sac shared with Columbus Chevrolet. You will have access to the rear patio where we will meet for our drivers meeting, or, just inside the patio entrance where coffee and donuts will be provided for those arriving in the morning. The bathrooms are just inside this door as well.

For those who will be staying in Columbus Friday night (Oct 12th):

For those who want to begin our Willy-Nilly Run at a more leisurely pace (sleep a little later), we have blocked rooms at the new Fairfield Inn & Suites by Marriott noted above. The hotel is just off Interstate 65 at the Bloomington/Nashville exit (SR-46) and will hold rooms until September 20. Contract flyer is attached. Note: IU has scheduled Homecoming with Iowa on October 13.

We will begin our Willy-Nilly Run with an 8:15 a.m. drivers meeting, and will leave promptly at 8:30 a.m. Please have your vehicle fueled and ready to depart before the meeting.

Our Saturday evening destination is the **Holiday Inn Express Corydon**, located at 249 Federal Drive which is located on the upper elevation of this popular destination.

Misty Turley is the AGM and has blocked 15 Kings and 5 Queens for a rate of \$107 until the cutoff date of October 6. Refer to HOOSIER A's when booking. Contact information:
